Geham State School Year 2 Term Overview Term 4, 2026

ENGLISH	**Writing and Creating Imaginative Texts** In this unit, students will read and view a variety of picture books and explore how stories use plot and characterisation to entertain and engage their audience. Students will then create a written imaginative event using a familiar character.
MATHS	This term, students continue to develop their proficiency and positive attitudes towards mathematics and its applications, they will: • continue to build fluency for understanding using addition, subtraction and multiplication facts • extend understanding by partitioning and combining numbers flexibly, recognising and describing the relationship between operations and employing part-part-whole reasoning • recognise types of patterns in different contexts such as increasing and decreasing additively by a constant amount and identifying missing elements in the pattern • compare and contrast related operations and use known addition and subtraction facts to develop strategies for unfamiliar calculations • develop a sense of equivalence, chance and variability when they engage in play-based and practical activities.
SCIENCE	**Physical Sciences** Students will produce a variety of sounds using objects and actions, drawing connections between sound energy and vibration. They will compare their observations of sounds with those of others to consider if we all sense sound in the same way.
TECHNOLOGY	**Computers: Handy helpers** In this unit students will learn and apply Digital Technologies knowledge and skills through guided play and tasks integrated into other subject areas. They will recognise and explore how digital and information systems are used for particular purposes in daily life.
HPE	**Health: My classroom is healthy, safe and fun** In this unit, students investigate the concept of what health is and the foods and activities that make them healthy. They explore opportunities in the classroom environment where healthy and safe practices can be implemented. Students identify the actions that they can apply to keep themselves and others healthy and safe in their classroom. They will also be completing lessons on water safety in the pool, at the beach and on the farm/backyard locations leading up to swimming lessons. **PE** Students will participate in learn to swim lessons. They will demonstrate aquatic skills and strokes in a variety of movement sequences and situations.
THE ARTS	**Musical stories** In this unit, students make and respond to music by exploring the ways that music can evoke stories, including soundscapes and sound stories, program music and lyric stories.
HOMEWORK	Homework will be sent home on a Monday and kept to a minimum with reading and spelling. We encourage students to be reading every night at home as part of their homework.

EVENTS	
29th October	Book Fair commences
30th October	Grandparents Day 10:30 & Arts Extravaganza 11:30
11th November	Remembrance Day
12th November	Swimming Commences
30th November	2026 School Captain Speeches and Voting
4th December	Twi-light Family Fun Night
10th December	Year 6 Graduation
